

Construction Equipment.

• Tower Crane	01	No	• Mini Lift-1.5 ton	01	No
• Tough Rider	02	No	• Sand sieving Machines-Electrical	02	No
• Ms Framed Retaining wall Shuttering	3,000	Sft	• Trolleys-4 wheeler	30	No
• Universal Material Lift – 200 Ft high	03	No	• Hilti demolishing Machine	05	No
• Metal staircase – 5 floors	04	Set	• Site computer and printers	05	Set
• Metal Centering - cup lock/ jack system	1,50,000	Sft	• Pre fabricated workers quarters with zinc sheets (8ft x 8ft)	75	Set
• Centering Sheet [3775 NO]	22,650	Sft			
• Plywood Centering boards	45,000	Sft	Miscellaneous Tools & Tackles		
• Silver wood runners	20,000	Rft	• Drilling machine-hand held	05	No
• Metal Scaffolding-pipes and couplers	10,000	Sft	• Fixed Drilling Machine-heavy duty	01	No
• Jacks	500	No	• Table top cutting machine	01	No
• Acro span trusses	700	No	• Pre fab Electrical stands for lights	08	No
• Poles	6000	No	• Mild steel C clamps	500	No
• Universal Reversible mixer with automatic weigh batching	03	No	• GO Go bolts	480	No
• Rebar bending machine	02	No	• Safety Nets	25,000	Sft
• Rebar cutting machine	02	No	• Safety Ms Supports-pre fab	155	No
• Lab equipment	01	No	• Electrical Distribution Ms boxes	12	No
• LGF Tracer copy router machine	01	No	• Metal halides/halogen	35	No
• Air Compressor	03	No	• Scaffold I section supports	65	No
• Hilti rotating Laser leveling equipment	01	No	• Column Braces for col boxes	195	No
• Tempo 407 tata.	01	No	• Bosch Chipping machine	01	No
• Conventional Mixers	05	No	• Welding machines	02	No
• Vibrator-petrol	05	No	• Hand Curing pumps	02	No
• High Frequency Vibrators-Electrical	02	No	• Dewatering Pumps	03	No
• Smart Pokers-Atlas Copco	01	No	• Weigh Batch machine	01	No
• PVC Water Storage Tanks	10	No	• Drums	42	No
• Motors	20	No	• MS frames for precast slabs	06	No
• Soil Plate Compactor	02	No			
• Steel column Boxes	46	No	• Godown Space : 10000 Sft.		

Engineered to Serve You

1	From Vision to Action	:	Diligently convert vision of architects/planners/pmc to executables on site.
2	People	:	Sensitive and dedicated customer facing teams. Sensitised Organisation.
3	Value Addition	:	Vital technical inputs at project sites
4	Billing	:	Transparent , Detailed and Accurate. Special teams involved only in quantity analysis and billing.
5	Taxes	:	100% compliance on statutory tax requirements thus insulating the customer from said government departments.
6	Time	:	Experienced teams having gained a habit of timely delivery. Schedule based execution to achieve timelines.
7	Tracking	:	Use of project management software tools for tracking and monitoring.
8	Construction Technology	:	Latest equipment with emphasis on reducing manual labour to maximum extent possible.
9	Hassle free	:	" You can Rely on Us"
10	After Sales	:	Continued support and service well beyond period of construction. Proven track record validated by existing clients.

DISCOY:- The right choice for "Demanding People " & "Demanding Projects"

DISCOY
ENGINEERED TO SERVE YOU

www.discoy.net

DISCOY® Equipment & Infrastructure

Mobile Crane : SEC 2500

Tough Rider 2 Tons

RM - 800
Digital Weigh
Batch Mixer
12 Cubic Meter/hr

Custom Made Trolleys
for Material Shifting

Mini Lift
1.5 Ton

Material Hoist 200 Feet

Bar Cutting Machine SCM 36R

Sand Sieving Machine

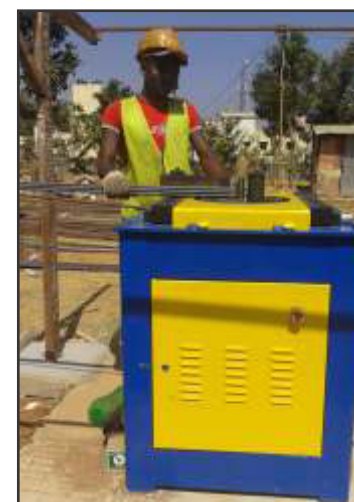

Bar Bending Machine SBM 42V

GI Threading Machine

Material Handling Lift

High Frequency Electric Vibrator
2800 rpm AME-2200M

High Frequency Smart Poker
40MM - 12000 rpm 400 W

DISCOY®

Mild steel pipes for vertical centering/ scaffolding system for roof slab & beams

Specialised steel column boxes with ply face

Foundations, Columns & Retaining Wall Centering Equipment

DISCOY®

Mild steel stairs for worker access

Curing Facility at sites

Godown & Storage Facility

Pre fabricated Site Office

Specilised steel clamps to hold scaffolds in position

Plastering stands

Safety Clamps & Net

Soil compactor

Tracer Copy Router for slot cutting

Air Compressor
